

A square maze with a green start dot at the top-left and a red end dot at the bottom-right. A blue line traces a path from the start to the end through the maze. The path starts at the top-left corner, moves down, then right, then down again, and continues through various turns and dead ends until it reaches the bottom-right corner. The maze is composed of black lines forming walls and a white background for the paths. The blue line represents the solution path.
