

A complex maze with a green start dot at the top left and a red end dot at the bottom right. A blue line traces a path from the start to the end, navigating through numerous dead ends and corridors. The path starts at the top left, moves right, then down, then right again, and continues in a series of turns and loops, eventually reaching the red dot at the bottom right. The maze is composed of black lines forming walls and white space for the path. The blue line represents the solution path.
