

A square maze with a green start dot at the top-left and a red end dot at the bottom-right. A blue line traces a path from the start to the end, navigating through the maze's corridors and avoiding walls. The path starts at the top-left, moves down, then right, then down again, and continues in a series of turns to reach the bottom-right. The maze is composed of black lines forming walls and white space forming paths. The path is highlighted in blue.
